A GENERAL INDEX

To the Ten Volumes of the American Almanac, for the Years 1830 — 1839.

As the *Numbers* of the Volumes are not inserted on the Title-pages of the Almanac, it must be observed, that the different Numbers of the Volumes correspond to the different Years, as follows: —

I.	II.	III.	IV.	V.	VI.	VII.	VIII.	IX.	X.
1830,	1831,	1832,	1833,	1834,	1835,	1836,	1837,	1838,	1839.

This Index embraces such matters as are not common to all the Volumes of the Almanac; but such matters as are found in all, or nearly all, the Volumes, viz., the Astronomical Information, the Register of the various Officers of the Government of the United States, and of the Individual States, the Annual Tables relating to the Commerce and Navigation of the United States, the Tabular Views of Colleges, the Chronicle of Events, &c., are not particularly specified in this Index.

The several Volumes, with the exception of the first, are furnished each with its own Index of the matters treated of.

*** A full Index of the *Obituary Notices* follows this General Index of other matters.
